

OCCUPATIONAL HEALTH and SAFETY POLICY

Our facility is committed to protecting the health and safety of everyone in the workplace, including all employees, subcontractors and guests.

The Facility's employees and stakeholders pay utmost attention to and, where necessary, participate in the following

Take responsibility for working safely, take all reasonable precautions for their own health and safety and consider the health and safety of all other people who may be affected by their actions.

Take all reasonable and feasible steps to improve occupational safety conditions through in-house employees or outsourcing to specialized persons/organizations as needed in all relevant activities.

To comply with all applicable OHS-related legislation, regulations and standards.

Implement risk and hazard management systems that are relevant and appropriate to the risks within the organization.

Provide safe workspace and equipment for controlled work.

Provide appropriate OHS training for all staff.

Establish an annual OHS program to improve health and safety in the workplace.

Allocate sufficient resources to continuously improve OHS performance.

Provide regular health surveillance for employees.

Actively respond to and investigate all incidents and ensure that injured workers are returned to appropriate work at the earliest opportunity through fair claims management and rehabilitation practices. These standards will be regularly monitored to ensure that integrity and effectiveness are maintained to facilitate continuous improvement in the organization.
